REF: ESPSPC\_2026\_022

30 January 2026

Dear Parents/Guardians,

### **Primary 3 School-Based Assessments 2026 and Weighted Assessment (1) Schedule**

Assessment is an integral part of our students' learning and goes beyond tests and examinations. In everyday learning, the school uses a variety of teaching and assessment approaches such as in-class work, class discussions, homework, Weighted Assessments (WAs) and the End-of-Year Examination (EYE). It is important that students put aside time daily to revise the lessons taught and complete their homework on time. This will allow teachers to give them feedback on their learning progress in a timely manner.

The assessment weightings for Primary 3 are shown in the table below.

Level	Term 1 (WA1)	Term 2 (WA2)	Term 3 (WA3)	Term 4 (EYE)
P3	10%	15%	15%	60%

The results of all the above assessments will contribute to the overall subject result. The WA for each subject will be conducted within stipulated weeks. The exact dates for each assessment will be communicated via PC termly in view of the change of timetable for every term.

The glossary of terms for assessment, holistic development profile quality descriptors and achievement bands/levels for each level are found in Student Handbook 2026, page 16 and 17.

Students who are unable to sit for any assessment must produce official letters, such as medical certificates. Students who are absent without valid reasons will be given a zero for the assessment. There will be no make-up assessment. To support students' learning, absentees will be allowed to attempt pen-and-paper WA at home after they return to school. They will hand in the completed papers to their subject teachers for marking, solely for the purpose that they may receive feedback on their learning.

Thank you.

Yours sincerely,

Mdm Jumaeyah Binte Zainal Abidin  
for Curriculum and Assessment Committee
